***PRE-OPERATIVE INSTRUCTIONS
IN PREPARATION
FOR ANESTHESIA:***

1. Have nothing to eat or drink after midnight the night before surgery. This includes candy, chewing gum and water.
2. You must have a responsible driver stay at the office throughout the entire procedure to receive instructions and to drive you home after surgery.
3. Wear a short sleeved shirt.
4. Remove nail polish before coming to the office.
5. If you are under age 18 you will need a parent or guardian to sign consent for treatment.
6. Remove contact lenses before coming to the office.
7. You will have discussed with us your financial responsibility prior to your appointment.
